Confirmation of educational or research institution

The Pedagogical Research Centre of the Federation of Independent Waldorf Schools releases film sequences on teaching in Waldorf schools for the purposes of research and training. Please confirm that the applicant works in one of these fields within your institution.

This certification is valid for one year, and will then need to be renewed.

It is hereby confirmed that

Surname, first name of applicant

works

- in research
- training
- as a student

at the educational or research institution named below

Place, date

Signature and legible stamp of the institution

Contact for any verification issues (e.g. office/secretariat, but not the applicant themselves):

Surname, first name

email

telephone number
